### MAY PRESIDENT'S MESSAGE

It's the time to get involved for the June 7 show in Old Town Fredericksburg. The preparations are coming along timely. Please get out and try to find some sponsors. We need all hands on deck to have a good show! Please make a point to make it to the May meeting as it is very important that we all be there to discuss the show details, sign up for jobs during the show and to learn the duties of each job. Remember this year we have the tour of Spotsylvania and Caroline counties beginning at the Classic Car Center on Sunday, and the period dress contest.

I have been to several AACA and other car shows to drum up attendance. I have received very positive responses to our show and the location on Caroline Street. I will be at the ODMA show, though without an entry as the MG is still in process. I am making significant progress though I just noticed that the pulley for the belt on the emissions air pump has a chunk missing from it,

ouch! The part is not available new and I have no spare. Anybody know where I can find one? I have found most of the maintenance parts through Moss Motors in Petersburg VA, Fredericksburg Auto Parts and AutoZone, not bad for a line of cars not imported since 1979 for the Midget and 1980 for the MGB. I noticed that the Piedmont and Winchester meets both seemed to have lower attendance. Both shows allow other than "antique" cars which did add to their attendance.

The club has lost Merrell Bareford earlier this month. Lauman, Wally, J, Wayne and I attended the visitation at Covenant Funeral Home and gave our condolences to Charles and his family. Our thoughts and prayers go out to Charles and his family during their time of loss.

- Ken Loucks, HFR AACA Prsident

## CLUB NEWS

## HFR AACA ANNUAL SHOW—SATURDAY, JUNE 7th

Our annual show is right around the corner, and now is the time to get in step with all we're doing to support the event. This is our club's biggest event of the year, and is becoming one of the region's top attractions for automobile enthusiasts. The show will take place on Saturday, June 7<sup>th</sup>, and will once again be held on Caroline Street in downtown Fredericksburg. As always, we will need everyone to pitch in to make this event a success. Keep spreading the word to everyone you know in the antique car hobby about the show, especially the members of marquee clubs that you participate in. Of course, get your own antique car registered and out on show day. Contact the show chairman, J Brown or our president, Ken Loucks to learn more about how you can contribute.
