JUNE PRESIDENT'S MESSAGE

Wow!!!! What a car show!!! Thanks to J, Brown and the Car Show Committee and all the members and guests who worked so hard to make our 58th Annual Antique Car Show the best show ever. The Facebook stories and pictures kept coming in for days. I got several comments such as "the best show I have ever been to". The only down side is many people listened to the weather guessers. The weather forecast was for scattered showers from 9 am on. What we got was bright and sunny high of 80 degrees with a light breeze. You can't buy better weather. As a result our car count was down a little bit. All I can say, it is their loss.

The fashion show was a hit. I am hoping more members will step up and participate in the future. It adds an extra touch to preserving our motoring history. Emily Schricker did a great job putting this and the dance demo from Strictly Ballroom. Emily also brought in a few models for our fashion show. They seemed to have a great time posing for pictures with our cars. I hope we can grab a few more members from this.

On the membership front; we are all recruiters. Our membership levels have risen over the past few months. After looking at the entry list from our show, there are a lot of local people who have antique cars who are not in our club. We need to put

out an effort into getting these people into our club. Invite them to our activities and meetings. We now have cards for our club, let's get the word out. Also the cruise-ins are an excellent place to recruit. You may even have fun there too. We are working on a activity for 18 July leaving from Rosner Volvo's Cars and Coffee. It will be a local tour to some historical landmarks around town and food will be involved. Please sign up with J Brown. We are also looking a planning to activities in August such as a trip to the Flying Circus, discounted tickets, a chance to be part of the show, and a picnic. We need somebody to head this up. Another activity involves leaving from Cars and Coffee and heading up to the USMC Museum in Quantico. I would like to do the Flying Circus on a Sunday in August and the USMC trip on the third Saturday in August. We still need a person to be in charge of that one.

We have a full plate still this month with the Richmond Region Show on the 20th and the Heartfields Assisted Living display on the 21st. We also need speakers for our meetings from August on out. If you have a hobby, car, an interesting topic you would like to share with us, Sign up to tell us about it at a meeting.

Social – Francis Schooler reported our club is invited to the Taste of Madison Event in Madison on 9/5/15. The Christmas Party has been scheduled at the Fredericksburg Country Club – Dec 6th.

Meet Committee – Jay Brown spent the last part of our meeting tonight reviewing the different aspects of our upcoming meet. He reviewed the various sign up positions and confirmed everyone's jobs and responsibilities. He listed the tasks that were still pending and important tasks to be mindful of during the show. There will be more activities this year and each registrant will be given a schedule of events that will be taped to the outside of their packets. Currently there are only 75 cars registered.

OLD BUSINESS

ODMA Meet update – Ben Schooler reminded everyone the ODMA Meet is this weekend. Wally mentioned there are only 86 cars signed up and there is still time to register and assist with judging.

Club Car Magnets/Name Tags – Jay Brown will present information on these magnets next month.

NEW BUSINESS

Chick- Fil-A Military appreciation night at Fredericksburg Expo – this 5/20/15 from 4-7pm in Expo parking lot and they would love to have some of our antique cars – free food to all veterans and car display people – moon bounce, 54 vendors, and anticipating 3,000 vets to attend in way to give back to our local Veterans. You cars can ideally be parked by 2:45pm. There was a good show of interest from present members.

Partnership with the Historic Fredericksburg Foundation Incorporated(HFFI) – J. Brown proposed our club considered a partnership with this non-profit organization as their goal is to protect and preserve historic properties around town. Our club supports our antique cars and Nancy Windingland voiced this was a good idea. Maybe we could share some logos, spread tickets and interests in events together and support each other groups. Wally proposed the need for more discussion at our next meeting

Richmond Region Car Show will be held on June 20 at the Richmond International Raceway.-

The 50/50 – conducted by Hank Mauslof and won by Herb Long who returned his \$13 back to the club for a total of \$26! Thank you Herb.
