President’s Message March 2018

The bright yellow daffodils in the garden keep reminding me that car show season is right around the corner. Some of us drive our old cars year round, but if you are like me you don’t do much of anything with it during the cold weather. Now would be a good time to go out and pull the cover off, dust it off, check the fluids, tire pressure etc. And take it for a spin. In other words get it ready for the car show season. Our monthly business meeting is Tuesday March 20th which also happens to be the first day of spring.

Our thanks go out to Powel Sale for hosting the February meeting at his garage. The rooms at the community center got reserved ahead of us for an art class. At first we weren’t sure if we would find a place to hold the meeting, but Powel came through. He provided a delicious barbecue dinner for everyone as well. Thanks again Powel. The rest of the general membership meetings for this year are all booked and scheduled at the Community center as usual.

Once again Wally and Liz Hunt are national celebrities. Their pictures are in the current issue of Antique Automobile Magazine. They attended the awards banquet in Philadelphia dressed in period costume. Nancy and I can also be found in the magazine, but all that shows is the back of our heads while we are listening to Dr Simeone’s museum presentation.

The application for the historic marker has been signed, sealed and delivered. We appreciate Emily Schricker getting that done around the beginning of March. We are expecting to hear more about it soon. Thanks to J Brown for working to procure the funding. We can hold a dedication ceremony when the marker is erected. That should be fun and will no doubt generate some interest in our club.

So far there has been no interest in our scholarship offer. Letters went out in January but no one has responded. Hope that doesn’t end up being a big disappointment.

The subject of our region hosting a national tour was brought up at the last meeting. I think that is a great idea and I hope you all agree. If we did something like that we would draw a lot of attention to our region from all over. Our membership would likely increase, which would increase participation in our annual show. We’ve been talking a lot lately about doing more together as a group and that sure would qualify as doing more.

Don’t forget the annual show is only about two months away. The show chairman is finalizing the application flyer for mailing. A lot of other planning is under way and there is a lot more to do. Please everyone step forward and be ready to help out. Attend the planning meetings. Bring your cars and recruit friends to bring their cars. Sign up for a job at the show, and lets all make this one the best ever.

See you at the meeting. Doug.

Due to conflicts with the usual meeting space, the February meeting was held at Powell Sale’s Garage. Members were notified via email, Facebook, the website, and phone. Powell provided BBQ and goodies – THANK YOU so much for the hospitality! Apologies to those we failed to notify; we are still missing some contact information. The next meeting will be at the community center.

President Doug Makin called the meeting to order at 7 PM.

There were 31 members present.

There was no 50/50 since Hank was out sick.

**January 2018 Minutes** – Minutes were printed in the Magneto and approved by membership.

Refreshments signup is in good shape.

**Treasurer’s Report** – A financial book review was held last month. J Brown and Don Mohr reviewed the records. It went well.

Mark presented a brief treasurer’s report. Membership approved paying the bills. We collected $66 for the food bank last month.

**AACA National Meeting in Philadelphia**

Doug, Nancy, Wally, Liz, Frank, Robert, Nora, Emily, and Adam were there. Doug submitted the donation for the AACA Library. The club has received a letter of thanks. Doug mentioned the Scholarship efforts to National AACA; they appreciate the youth development efforts. These efforts are in line with other Regions. National also gives out several scholarships every year. The National Meeting was also heavily attended by big groups from colleges with Restoration Programs.

There were many good seminars at the National Meeting. We divided efforts to get information from multiple seminars. Wally recommends attending the meeting to everyone. We all arrived at the end of the Super Bowl Parade. The seminars and meetings were very worth while. We also enjoyed going out to dinner together as a group. Liz and Nora went to the First Lady’s Brunch. It was very entertaining with a ventriloquist – we laughed for a full hour!
COMMITTEE REPORT

Sunshine Club – Rena will send Hank a get well card. Frances mentioned that Ryland Tedenton had a bad fall in December at work and broke his knee and has had a 6-week recovery, but it will be 6 months for total recovery.

Legislative – Don Mohr is not here. Wally reported on the House Bill about the exhaust systems. It will be voted on soon (SB 586) Wally has a form letter and member information for anyone who wants to support.

Magneto newsletter – Fred Becker has a new email. It is now blkjack32@aol.com. He has lost all emails and contact information in the transition. Please be patient!

Also, Fred knows of a 1955 Ford for $25K for sale. Fully restored. Contact him if interested.

Doug apologizes for not getting a President’s Message this month. He has been working hard.

Web site – Nora attended the website seminar at the National Meeting. AACA National will no longer be hosting the website for free and we will need to begin hosting on another server or paying for them to host the website. We discussed this and decided that we will wait to see a bill from National before deciding to change hosts.

Membership and Activities – Doug has some free membership applications for first time members only.

Wally provided the following updates:

Long list of activities in the Magneto and on the website.

We are going to try to do monthly activities. The following are coming up:

*March 24 – Mattaponi Winery Tour,
*Tidewater Region Swap Meet
*Cruise Ins start at the beginning of April.
*McDonald’s Cruise in has been moved to FatBoys – where VA BBQ used to be.

Mayo said that the April 14th USO Dance has been cancelled. Mayo is completely surprised and unaware of what happened. She is sorry that the car club may have lost out on another opportunity by setting aside the time for this dance.

Ben heard no discussion at the ODMA planning meeting about displaying cars at the Skills USA event.

*Verdun Adventure Bound – We have flyers with new dates; if you bring an old car to any event, you get in free.
*ODMA – 4/28 followed by Piedmont Region on 4/29.
*Flying Circus tentatively set up for 7/15. Tour down from Gettysburg Meet. Last time, good time and good turnout – lots of fun.
*September 8-9, Henry Ford – antique auto Fair, 1932 and older cars. Application date starts June 1, Dearborn, MI. Wally and Liz are planning to attend.

*Northern Neck Meet, May 19th at Stan’s Dairy Freeze and Skateland. It would be good to support our neighboring Regions.

Keep in mind the following for spring and summer:

*Grand National Meet – Greensburg, PA – May 31, June 1, June 2nd.
*June 2 – HFRAACA Annual Meet
*July 11-14 – Eastern Spring Meet Gettysburg, PA

If you have any other ideas for activities – let Wally know.

Ben on ODMA planning – Tri-County Region is sponsoring the Meet this year. Ben has been to many of the planning meetings. They emailed packets to Suzanne. Meeting on April 27th and 28th, near the government center in Harrisonburg – about 10 miles west from there. Saturday night, events are spread around the city. Deadline is April 2, no exceptions. There is no host hotel. If taking a trailer, please check with your hotel in advance.

J – on next year’s HFRAACA car show. Save this Date Cards were sent out. Everyone in the club has a job on the day of the show – we have lots of work that needs to be done. Flyers should be out to the print shop the next week or so. Meet plaque pictures should be available in a day or two. We are asking for email addresses this time. We need to get this out on the Internet. Our show is downtown with Rock the River going on the same day. We do not expect a negative impact from this event; if anything, it will increase foot traffic.

OLD BUSINESS

Email from Emily regarding historic marker. City’s historic resources planner is back – and is communicating with the Public Works department to sign off on it.

Scholarship Grant: Letters have been mailed out. Alvin Staples believes that the kids should be going to apprenticeships, not to further schools. So far, no one has submitted an application for a scholarship.

The Soapbox Derby is moving to Spotsy to the Dominion Raceway this year, May 20th.

Frank DuVal– CCCV – Another way to track legislature. By being tied in with them, we get tied into their calendar. More links, more publicity. Motion to join and seconded $10/year. Frank and Mark will take care of getting HFRAACA enrolled.

NEW BUSINESS –

Wally was approached at Philly about the possibility of a National Tour. He chatted with Frank and Doug about it. Wally is proposing that we can work with Dominion Raceway – trailer parking and banquet facilities, 4 hotels, and areas with limited traffic. Opportunities exist for 3 day or 5 day tours – Earl Beauchamp is pushing for the Sentimental Tour in 2022. Wally thinks it is less effort than a National
Meet would be. Wally is trying to judge support within the club. Historically, Regions with National Events tend to grow their club; this would be a good opportunity. Fredericksburg has never done a National Event. Commitment from membership would be required.

A Tour might include a Mixer and/or pre-meeting Sunday night. Depart Monday morning, tour routes, drive from 80-150 miles, stop visit, eat, end at host hotel. 3-5 tour days, Banquet last night. Registration would go into the cost of the tour. 3 days long, summer or fall. Can stop 1-2 places per day – 4 nights in hotels. Club members would “work the stops” including parking, maybe 35 cars or so – Divisional Tour next summer might even be a possibility. However, we need to consider that the Thornburg construction goes until 2021. So, 2022 might be a good time to look at. John proposed that a committee puts together some ideas and answers questions for next club meeting. Wally/John/Fred/Frank/Mark/Robert/Ralph agreed to be the tour committee.

Mark invited the Richmond Region to join us on the Mattaponi tour. Please also invite friends. Get the cars out J

We are still looking for presenters for club meetings and contributions to the Magneto.

A possible suggestion for a presentation is a workshop on how to do social media and Facebook.

Ben Schooler closed the meeting with a prayer.

The meeting was adjourned at 8:30 PM

28th Orphan Car* Tour

"How the Other Half Lives"

Sat., June 2, 2018 - Jarrettsville, MD

Explore the beautiful rural Hunt Valley, My Lady’s Manor and Worthington Valley areas of Baltimore and Harford Counties behind the wheel of your vintage “orphan”* car or truck!

You’ll join fellow orphan owners as you cruise 30 miles of scenic back roads, pausing every so often to visit points of interest along the route. We plan stops at the Millstone Cellars Cidery, Priegel Family Creamery, Ladew Topiary Gardens and Boordy Vineyard, but other places could be added!

Each driver will follow printed directions, taking the route at his / her own speed.

As usual, there’s a printed quiz with diabolical questions to test your observation skills along the route! Fabulous prizes will be awarded to the most observant. (Okay, maybe the prizes aren’t fabulous, but we will find out who is the sharpest lookout!)"}

The choice of eligible orphans is larger than ever before, so tune one up, enlist a congenial navigator, and come out for a fun day in seldom-seen country.

We’ll gather at 9:30 AM at the Jarrettsville United Methodist Church, with cars being released onto the tour starting at 10:30 AM. Service stations, a restaurant, and a High’s convenience store are located within 2/10 of a mile.

As always, the Tour will be held “rain or shine”. If it rains, bring an umbrella (and if necessary, drive a modern car). We’ll still have a great time and see some beautiful scenery, and a number of attractions that we’ll see are under cover.

Important: Bring a navigator to read driving directions! Tour will be held RAIN or SHINE. Dinner reservations must be postmarked by May 25. Entry fee of $10 per car can be paid beforehand or at the Tour. (Note: you may do both the dinner and tour, or either one!)

DINNER NOTES

Buffet menu: choice of roast beef or fried chicken; potatoes, green beans, corn, cottage cheese, apple butter, cole slaw, fruit, hot rolls, sugar biscuits. Coffee, iced tea and soda. Ice cream with fudge sauce and chopped nuts.

Reservations required (deadline: May 25).
Your meal ticket will be given to you at the Tour. No meal refunds guaranteed after May 25, but we’ll attempt to sell your ticket for you if you cancel before June 2.

The Tour is open to antique “orphans” — vehicles at least 25 years old which were produced either by now-defunct manufacturers or the discontinued divisions of still-existing companies.

Info: (540) 364-1770 before tour; (703) 986-8785 on tour day only (cell) tourdirector@orphancartour.org
