## JOKES

### USEFUL

A Texas rancher purchased a new Rolls Royce and, a few weeks later, brought the car in for servicing.

"Do you like it all right?" asked the salesman.

"Oh, it's fine. I especially like that glass partition between the front and back seats."

"You do?"

"Yeah, it keeps the cows from licking my neck when I'm taking them to the stock shows."

\*\*\*\*\*

### EMERGENCY

It was dark when she stopped at the service station. "I want a quart of red oil."

Attendant: "Are you sure you want red oil."

"Certainly, My taillight has gone out."

\*\*\*\*\*

### SOUR?

Overheard by parked car: "You drive, you're too drunk to sing."

\*\*\*\*\*

### PROGRESS

The old narrow road where two cars could scarcely pass are happily being replaced by splendid wide highways on which six or eight cars can collide at one time.

\*\*\*\*\*

### CAUSE AND EFFECT

"How come you beautiful redheads marry men who are feeble, bald, nervous and weak?"

"We don't. They get that way."
